

Be a Friend to the Lynn Public Library!

The Friends of the Lynn Public Library is a Non-Profit Organization formed in 1982 to help create awareness and appreciation of the many and varied services offered by the Lynn Public Library and its staff. The Friends of the Lynn Public Library are responsible for supporting the library through advocacy, financial support, and community involvement. The Friends help and sponsor programs such as the Summer Reading Programs for Adults, Teens, and Children, discount museum passes, fundraising, technology, book and DVD/CD purchases, and more.

The friends are an important asset to the library and its future. We are always looking for new members to help make a difference here in the City of Lynn!
